

How to Book the Frontline Medical Professionals Room Program

- Start by visiting your association portal and logging in (if applicable). Then find the link to the Hilton and American Express Frontline Medical Professionals Room Program.
 - To limit fraud and ensure that all rooms are booked by you, our medical heroes, we've restricted the booking page to only be accessible from your association site.
- Once on the site, use the search widget in the top right corner to view hotels with available \$0 rooms in your city.
 - Note: Bookings can be made for up to 7 consecutive nights at a time and are currently open through end of the program on May 31st.
- As you search, only hotels with availability for the \$0 rooms on your selected dates will show in search results.
- Once you select a hotel, you must continue to select the \$0 option on the subsequent Room Type and Rates pages. Additional rates and room types may display for a cost and are not eligible for the program.

Eligible:	Frontline Medical Professionals Rooms Program <small>Change or cancel until the day before arrival for all bookings made through June 30.</small>	\$0 ⓘ <input type="button" value="Book"/>
Not Eligible:	FLEXIBLE RATE <small>Change or cancel until the day before arrival for all bookings made through June 30.</small>	\$199 ⓘ <input type="button" value="Book"/>

- Some hotels may show an alert on the Update Your Rate page stating a resort fee/charge will be added. Please note this will not be applied to your reservation for this program.

Step 2 of 3

Update Your Rate

Daily Resort Charge will be added to the room rate and includes: Guest internet access (4 devices); beach services with chairs, umbrellas & towels; pool toys & games; two bottled waters daily; 50% discount for second entrée purchased at lunch & dinner; 15% off massage; local/toll-free calls.

- After you select the \$0 option on the Room Type and Rates pages, you will be prompted for Guest information. You may also be prompted for credit card information. A credit card is collected only for incidentals while on property and will not be charged during booking.
- After completing your reservation you will receive a confirmation email with all necessary booking details.
 - This will include a link to download the Hilton Honors app, so you can skip the front desk and use your phone to check-in, pick your room and open your hotel room door.
