

## Appendix VII: Local (Chapter) Hospitalist Awards

---

### **SHM XXX Chapter Awards**

The Society of Hospital Medicine's XXX Chapter would like to recognize a physician, advanced practice provider and resident for their outstanding accomplishments in hospital medicine.

### **Submission Details**

Submit your nominations for the XXX Awards to: XXX by XXX.

Please include your name, the nominee's name/contact information (email and phone), and your relation to the nominee.

### **Recognition**

All nominations will be reviewed by the chapter leadership. Honorees will be recognized at our next Chapter event on XXX as well as on the XXX Chapter's Community on the Society of Hospital Medicine's website.

### **Physician Hospitalist of the Year**

The XXXX Chapter of the Society of Hospital Medicine Award for Hospitalist of the Year is presented in recognition of exemplary service and leadership in hospital medicine.

### **Award Criteria**

While all of the following may not apply to each candidate, the Chapter's leadership will use the following criteria as a basis for evaluation:

- Outstanding contributions to patient care
- Promotion of clinical knowledge
- Professionalism
- Leadership in medicine
- Excellence in practice management

### **Eligibility**

Any current SHM member other than XXX SHM Chapter leaders are eligible for nomination. All nominees must be SHM members. Awardees may be self-nominated.

### **Advanced Practice Provider Hospitalist of the Year**

Today's hospital medicine team includes many dedicated professionals in addition to physician hospitalists. The XXX Chapter of the Society of Hospital Medicine (SHM) recognizes those individuals through its Award of Excellence in Hospital Medicine for Non-Physicians.

### **Award Criteria**

While the overall contributions to hospital medicine are the overriding criteria, some or all of the following elements may be considered in the selection process for this award:

- Innovations or contributions at their hospital or in their hospitalist group
- Leadership
- Outstanding contributions to patient care
- Excellence in education
- Professionalism
- Excellence in practice management
- Organizational activities

### **Eligibility**

Nominee must be an SHM member who is not a physician. Nominee may be a physician assistant, nurse practitioner, registered nurse, pharmacist, administrator, case manager, or any other non-physician member of SHM. Any current SHM member other than **XXX** SHM Chapter leaders are eligible for nomination. Awardees may be self-nominated.

### **Resident of the Year in Hospital Medicine**

The future of hospital medicine is our trainees. The **XXX** Chapter of the Society of Hospital Medicine (SHM) recognizes those individuals through its annual Award for Resident of the Year in Hospital Medicine

### **Award Criteria**

While the overall contributions to hospital medicine are the overriding criteria, some or all of the following elements may be considered in the selection process for this award:

- Leadership
- Excellence in clinical care
- Professionalism
- Dedication to teaching
- Involvement in hospital medicine research

### **Eligibility**

Nominee must be a resident physician in good standing with an ACGME accredited residency program at the time of the awards ceremony. Awardees may be self-nominated.
