

# Together, **We Are the Power of Care.**

Surpass your professional goals and deliver the highest level of patient care with SHM by your side.

# About SHM

The Society of Hospital Medicine (SHM) is the first and only association dedicated to advancing the field of hospital medicine. SHM serves the needs of the entire hospital medicine team, including physicians, nurse practitioners, physician assistants, practice administrators, residents, medical students, and more.

When you join SHM, not only will you gain a home, but you will also become a part of a larger movement that impacts the lives of hospitalized patients worldwide through innovation and collaboration.

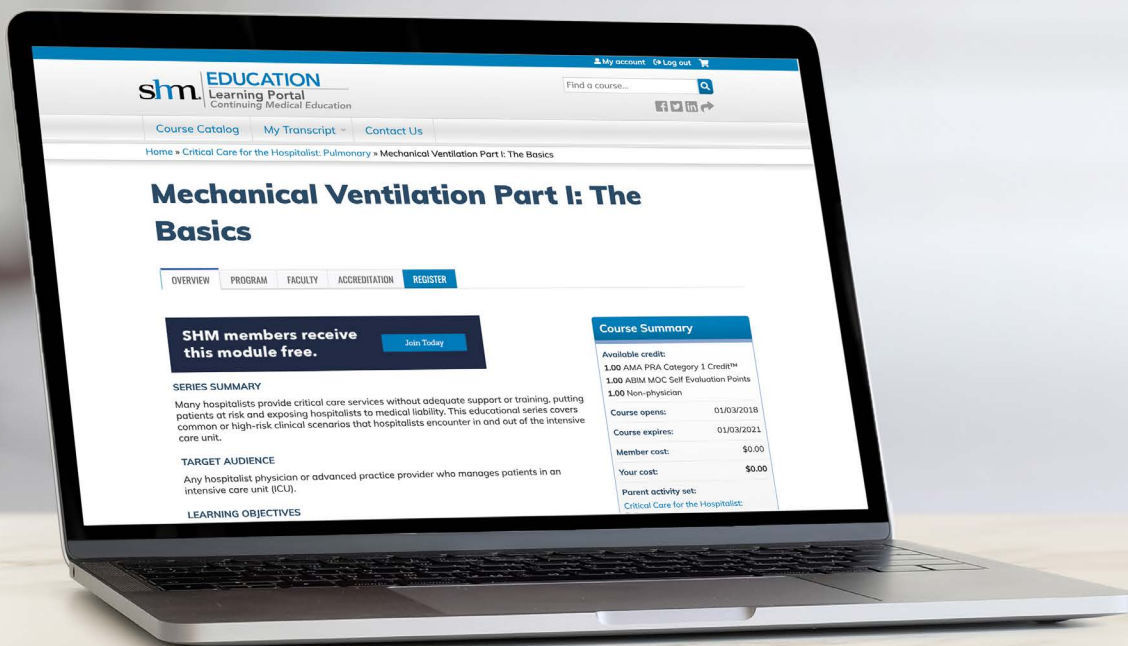

Visit [hospitalmedicine.org/join](https://hospitalmedicine.org/join) to become a part of the hospital medicine movement.

*SHM helped develop my career through committees, advocacy, networking opportunities, and access to hospital medicine resources. SHM advocates for not only hospitalists, but for our patients.*

- Jerome C. Siy, MD, MHA, SFHM  
SHM Board President

## Power your education with resources by hospitalists, for hospitalists.

Whether you are preparing for the Focused Practice in Hospital Medicine (FPHM) exam or refreshing your knowledge, SHM offers the best resources to help you meet your continuing education goals.

### CME

The SHM Learning Portal is your online destination for hospital medicine-focused CME. SHM members have access to more than 130 *AMA PRA Category 1 Credit™* on their computer or mobile device. Access pre-recorded webinars and on-demand CME modules developed by experts in the specialty.

[shmlearningportal.org](http://shmlearningportal.org)

The Society of Hospital Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

### Earn CME and MOC on the go

SHM members can earn CME credits and MOC points by answering the Question of the Day in the new SHM Education app.

[hospitalmedicine.org/eduapp](http://hospitalmedicine.org/eduapp)

### Prepare with confidence: Spark

Spark is the only study tool you need to prepare for the Focused Practice in Hospital Medicine (FPHM) exam. Spark features 450+ vignette-style multiple-choice questions that you can answer at your convenience across all devices and allows you to earn *AMA PRA Category 1 Credits™* and ABIM MOC points.

[hospitalmedicine.org/spark](http://hospitalmedicine.org/spark)

# Build impactful connections for your future.

With SHM, every interaction has the potential for career advancement, collaboration, and educational growth.

## Special Interest Groups

Special Interest Groups (SIGs) are member-led communities that unite hospitalists around topics of interest, practice areas, and/or care models. With more than 20 active SIGs, there is a wide and growing array of groups offering engagement for every member.

[hospitalmedicine.org/sigs](https://hospitalmedicine.org/sigs)

## Chapters

Stay connected to your local hospital medicine community at both in-person and virtual events as well as through your chapter's online community. SHM has more than 60 chapters worldwide that regularly hold live events with world-class educational programming and networking. SHM members are provided the opportunity to volunteer in their local chapter's leadership.

[hospitalmedicine.org/chapters](https://hospitalmedicine.org/chapters)

## Hospital Medicine Exchange (HMX) - SHM Online Community

HMX is SHM's premier online engagement platform. Members can connect with their local chapter and Special Interest Groups, utilize the member search feature, and share information or crowdsource that burning question in the Open Forum discussion area.

[hospitalmedicine.org/hmx](https://hospitalmedicine.org/hmx)

*My favorite part about being a member of SHM is being involved with the QI SIG. This platform has provided me mentorship and leadership opportunities.*

*- Harvir Singh Gambhir, MD, CPL, CPHQ*

*I believe that the Fellow in Hospital Medicine designation has fostered connections in the hospital medicine community and within my own institution that may not have been open to me before. I would highly recommend that eligible hospitalists pursue this designation.*

- Patricia Seymour, MD, FAAFP, FHM

## Advance your career.

SHM is here to help you through all stages of your career.

### **SHM Fellows Designations**

SHM offers hospitalists a path to leadership through the esteemed designation of Fellow in Hospital Medicine. Gain credentials that will distinguish you as a leader in the specialty and prepare you for an enduring successful career.

SHM offers Fellows designations across a variety of membership categories, including physicians, qualified practice administrators, doctors of pharmacy, nurse practitioners, and physician assistants.

[hospitalmedicine.org/fellows](https://hospitalmedicine.org/fellows)

### **SHM Committees**

SHM provides members the opportunity to serve as volunteers in shaping the society and its initiatives. While the charge of each individual committee is different, members selected to serve are able to positively impact the specialty and ensure that SHM remains at the forefront of hospital medicine.

[hospitalmedicine.org/committees](https://hospitalmedicine.org/committees)

### **SHM Career Center**

Discover your next career opportunity and find news and professional advice. SHM's Career Center is exclusively focused on hospital medicine, providing you a targeted experience that features professional opportunities and content curated to fit your needs.

[shmcareercenter.org](https://shmcareercenter.org)

## Learn from the best at SHM's live events.

Re-energize your practice and expand your network with today's hospital medicine leaders. SHM members receive discounted pricing on a variety of insightful and engaging meetings in the specialty.

*It's all about community, coming together, connecting, learning, commiserating, and bonding.*

- Avital O'Glasser, MD, FACP, FHM

**SHM Converge, our Annual Conference**, is the largest national gathering of hospitalists in the United States, offering you an array of educational and networking opportunities to enhance your practice, increase your visibility, and learn from leaders in the field.

[shmconverge.org](http://shmconverge.org)

**Academic Hospitalist Academy (AHA)** is held in partnership with SHM, the Society of General Internal Medicine, and the Association of Chiefs & Leaders of General Internal Medicine. AHA provides academic hospitalists with the educational, professional, and scholastic skills needed to accelerate their careers.

[academichospitalist.org](http://academichospitalist.org)

**SHM Leadership Academy** prepares clinicians, academics, and administrators with vital leadership skills designed with hospital medicine professionals in mind.

[shmleadershipacademy.org](http://shmleadershipacademy.org)

**Pediatric Hospital Medicine (PHM)** is sponsored by SHM, the American Academy of Pediatrics, and the Academic Pediatric Association to deliver educational and networking opportunities specifically curated for pediatric hospitalists.

[phmmeeting.org](http://phmmeeting.org)

**Adult Hospital Medicine Boot Camp**, sponsored by SHM and the American Academy of Physician Assistants, is designed as a refresher on the most commonly encountered diagnoses and diseases of adult hospitalized patients.

[hospitalmedicine.org/bootcamp](http://hospitalmedicine.org/bootcamp)

**Quality and Safety Educators Academy (QSEA)** provides medical educators with the knowledge, skills, and confidence to develop and lead curricula that will educate and engage residents or students in quality improvement and patient safety.

[shmqssea.hospitalmedicine.org](http://shmqssea.hospitalmedicine.org)

## Improve patient outcomes.

SHM's award-winning Center for Quality Improvement offers a personalized approach to quality and patient safety through an integrated, comprehensive, and flexible menu of programs, tools, and resources that can be customized to best meet the needs of your institution. Whether you are learning more about the quality improvement process or leading innovations and patient safety initiatives, SHM's Center for Quality Improvement is the ideal partner and resource center for QI-related challenges.

Key clinical topics include:

- Acute Coronary Syndrome
- Antibiotic Resistance
- AFib
- Care Transitions
- COPD
- Congestive Heart Failure
- Glycemic Control
- Medication Reconciliation
- Opioid Safety
- Pain Management
- Palliative Care
- VTE

View a full listing at [hospitalmedicine.org/thecenter](https://hospitalmedicine.org/thecenter)

*SHM's Center for Quality Improvement embraces the opportunity to avail the voice of the frontline hospitalist, to focus on strategic performance and patient-centered quality improvement initiatives.*

- Mangla Gulati, MD, CPPS, FACP, SFHM

# Stay current on hospital medicine trends and optimize your practice.

SHM's publications portfolio offers comprehensive coverage of the field including clinical developments, news and research, and trends in hospital medicine.

The ***Journal of Hospital Medicine (JHM)*** is the first and only monthly peer-reviewed journal dedicated to hospital medicine. Free online access to the journal is a member-only benefit and includes the *Core Competencies in Hospital Medicine* and the *Pediatric Core Competencies in Hospital Medicine*, among other influential supplements and research. SHM invites members to submit their original research, perspective pieces, and more for consideration in *JHM*.

Learn more at [journalofhospitalmedicine.com](http://journalofhospitalmedicine.com)

***The Hospitalist***, SHM's monthly news magazine, covers current issues and trends, including evidence-based clinical reviews, ethical concerns, public policy profiles, and interviews with experts in the field. SHM welcomes member submissions and often publishes pieces written directly by our members.

Learn more at [the-hospitalist.org](http://the-hospitalist.org)

***The Hospital Leader***, the official blog of SHM, provides timely news, information, and commentary on the most compelling issues in the specialty, including clinical updates, practice management, healthcare policy, ethics, and more. Guest bloggers are always welcome to share blog posts for review by SHM's Communications Department and the physician blog editor.

[blog.hospitalmedicine.org](http://blog.hospitalmedicine.org)

The ***State of Hospital Medicine Report (SoHM)*** is an indispensable tool for hospital medicine program leaders and practicing hospital medicine professionals. The biennial *SoHM* Report offers current data on hospitalist compensation and production, as well as extensive coverage of practice demographics, staffing levels, turnover, growth, compensation models, and financial support for solid, evidence-based management decisions. SHM members can purchase the latest *State of Hospital Medicine* Report at a discounted rate.

Visit [hospitalmedicine.org/sohm](http://hospitalmedicine.org/sohm) to order

*SHM allows us the opportunity to advocate on behalf of all the hospitalists across the country to talk about issues important to us, our members, and our patients with our legislators.*

- Dahlia Rizk, DO, MPH, FHM

## SHM is advocating for you.

SHM works on behalf of hospitalists and patients nationwide through legislative and regulatory advocacy. SHM advocates for the most pressing issues in hospital medicine, including observation policy reform, Medicare reimbursement rates, hospitalist workforce supply, the opioid crisis, and more.

### **Take action**

As an SHM member, you can join the Grassroots Network to get access to policy-focused newsletters. You will also be the first to know about in-person events like Hill Day, when hospitalists head to Capitol Hill in Washington DC for meetings with Congressional offices. As a *Grassroots Network* member, you will be at the forefront of advocating for hospitalists and patients. To advocate for the issues that matter most to you, please visit our Legislative Action Center to send messages directly to your elected officials.

### **Current issues**

Visit the Policy & Advocacy section of our website to view current issues, read recent statements, and browse white papers from SHM. To stay as up to date as possible on SHM's advocacy efforts, follow us on Twitter @SHMAdvocacy.

[hospitalmedicine.org/advocacy](https://hospitalmedicine.org/advocacy)

# Optimize your hospital medicine group.

## Practice Management

Get the tools, resources, and connections you need to effectively lead and manage a hospital medicine group. With webinars, publications, and guides, SHM is constantly building new resources to support the success of hospitalists as they navigate an ever-changing healthcare environment. SHM is your home to connect with other hospitalists who are confronting the same challenges and where you can see and share innovative solutions.

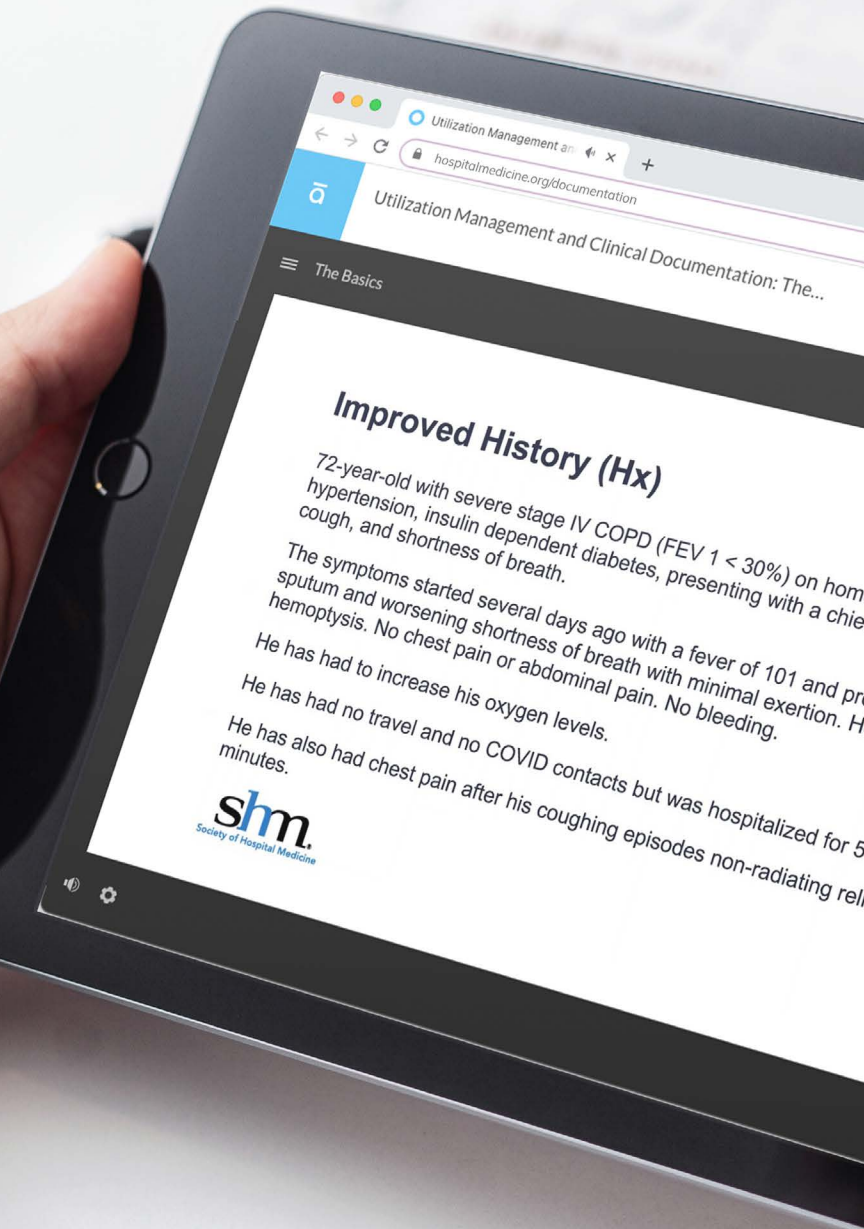

Find more resources about:

- Clinical Documentation
- Staffing
- Well-being
- Co-Management
- Telemedicine
- Compliance
- Medicare's Quality Payment Program

## Resource spotlight:

### Utilization Management and Clinical Documentation for Hospitalists

A case-based training program to help hospitalists document patient interactions with increased accuracy and quality. Designed by a practicing hospitalist and a physician advisor to focus on what hospitalists need to know.

# #HowWeHospitalist

**National Hospitalist Day occurs the first Thursday in March.**

SHM celebrates hospitalists year-round, but now there is a day especially for you. Mark your calendars and join SHM in recognizing the contributions of hospitalists around the world.

[hospitalmedicine.org/hospitalistday](https://hospitalmedicine.org/hospitalistday)

## Become an SHM Member Today.

SHM membership can propel your career to greater heights. As the demand for hospital medicine professionals grows at a rapid pace, new opportunities for advancement continue to emerge. SHM connects you with innovators and decision-makers in the field, prepares you for leadership, and keeps you informed on clinical research and news.

For more information, call **800-843-3360** or visit **[hospitalmedicine.org/join](https://hospitalmedicine.org/join)** to complete an application.
