Society of Hospital Medicine

Hello.

Welcome to the Society of Hospital Medicine (SHM).

Thank you for your commitment to providing exceptional care to the hospitalized patient.

You have joined a vibrant network of hospitalists transforming healthcare and revolutionizing patient care. Your membership is truly meaningful to SHM and your commitment allows the organization to continue to develop essential resources that positively impact the healthcare system and improve outcomes. Your engagement strengthens not only SHM but also patients and the entire hospital medicine movement.

This welcome brochure contains important information to help you maximize your SHM membership. SHM staff is always at your service to help you navigate the environment. Contact us at membership@hospitalmedicine.org.

Thank you again for your commitment to SHM and to hospitalized patients.

A handwritten signature in black ink that reads "Laurence D. Wellikson, MD". The signature is written in a cursive, flowing style.

Laurence Wellikson, MD, MHM
Chief Executive Officer
Society of Hospital Medicine

Helpful tips to make the most of your membership

Your SHM membership offers an array of resources and exclusive benefits that you can tailor to your interests.

Not sure where to begin?

Activate your member profile:

We encourage you to log into your account to activate your member profile and verify your preferences and contact information. This ensures that you receive important SHM communications and valuable content that aligns with your interests and area of practice.

- Visit hospitalmedicine.org/login.
- Select “Reset Password.”
- Enter your email address to have a temporary password sent to your inbox.

If you forgot your password or need to create one, please select “Reset Password.”

Visit SHM online:

The SHM website is your gateway for accessing all programs and initiatives. You will also find exclusive content like white papers, webinars, and clinical and educational resources on issues currently impacting the specialty.

hospitalmedicine.org

Get acquainted with Hospital Medicine Exchange (HMX):

HMX is an information and engagement hub where you can connect with local chapter members, collaborate with Special Interest Groups and/or committee members and communicate with the membership at large on the open forum.

hospitalmedicine.org/hmx

Have questions about your membership? We're here to help.

SHM's membership team can be reached at customerservice@hospitalmedicine.org or by phone at (800) 843-3360.

Learn

Access CME and MOC resources written by hospitalists, for hospitalists.

Whether you are preparing for the Focused Practice in Hospital Medicine (FPHM) exam or refreshing your knowledge, SHM offers the best resources to help you meet your continuing education goals.

CME

The **SHM Learning Portal** is your online destination for hospital medicine-focused CME. SHM members have access to more than 130 *AMA PRA Category 1 Credits™* as a benefit of membership. Access pre-recorded webinars and on-demand CME modules developed by experts in the specialty on your computer or mobile device.

shmlearningportal.org

MOC

Prepare with confidence. Spark Edition 2, now accessible from your smart phone or tablet, features 450 vignette-style multiple choice questions and covers 100% of the ABIM FPHM exam blueprint. Even if you are not studying to recertify, Spark is a self-assessment tool that challenges all hospital medicine clinicians to think through a variety of subject areas and offers up to 112.5 CME credits and ABIM MOC points.

hospitalmedicine.org/spark

New member benefit: the SHM Education app

Earn up to 20 CME and MOC credits each year for FREE by answering the Question of the Day.

Download SHM's Education app today.

hospitalmedicine.org/eduapp

Accreditation Statement

The Society of Hospital Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Connect

Our network is 18,000 members strong – and growing.

SHM membership offers a range of opportunities for you to connect to a dynamic network of hospital medicine professionals. Every interaction at SHM has the potential for career advancement, collaboration and educational growth.

Special Interest Groups

Special Interest Groups (SIGs) unite members with similar interests and practice areas. Engage virtually through HMX around the issues that matter the most to you and help shape the goals and initiatives at SHM.

hospitalmedicine.org/sigs

Chapters

Connect with your local hospital medicine network at live events and online in your chapter HMX community. SHM has more than 60 chapters worldwide that regularly hold live events with educational programming and networking.

“SHM has empowered me in many ways; most notably, I’ve been able to expand my reach through meaningful networking.”

Hammad Rizvi, DO, MBA, CPE, FHM

Stand Out

Leaders wanted: Take the next steps to advance your career.

Fellows Designations

Gain credentials that will establish you as a leader in hospital medicine, prove your contributions to the field and position you for a successful, enduring career. SHM offers Fellows designations across a variety of membership categories, including physicians, qualified practice administrators, doctors of pharmacy, nurse practitioners and physician assistants.

hospitalmedicine.org/fellows

Committees

Committees play an essential role in SHM's operations. Volunteering on a committee allows you to play a bigger role in SHM's major initiatives, from building resources for the specialty to ensuring that SHM remains at the forefront of hospital medicine.

hospitalmedicine.org/committees

“Earning the designation of SFHM has provided me the opportunity to pause and appreciate the accomplishments and progress of hospital medicine as a specialty. The acknowledgment from SHM recognizing the contributions of clinicians as well as practice administrators is exceptionally valuable as a professional who has been in this field for 17 years.”

Roberta P. Himebaugh, MBA, SFHM

Experience

Learn from the best of the best at SHM's live events.

Re-energize your practice and expand your network with today's hospital medicine leaders. SHM members receive discounted pricing on some of the most insightful and engaging meetings in the specialty.

Hospital Medicine Annual Conference

The largest gathering of hospital medicine professionals in the country. Come for the education. Stay for the movement.

Improve

Improve patient outcomes.

SHM's award-winning Center for Quality Improvement offers a personalized approach to quality and patient safety through an integrated, comprehensive and flexible menu of programs, tools and resources that can be customized to best meet the needs of your institution. Whether you are learning more about the quality improvement (QI) process or leading innovations and patient safety initiatives, SHM's Center for Quality Improvement is the ideal partner and resource center for QI-related challenges.

SHM's Center for Quality Improvement focuses on key clinical topics such as:

- Acute Coronary Syndrome
- Antibiotic Resistance
- AFIB
- Care Transitions
- COPD
- Congestive Heart Failure
- Glycemic Control
- Medication Reconciliation
- Opioid Safety
- Pain Management
- Palliative Care
- VTE

View a full listing at hospitalmedicine.org/theCenter.

“The Society of Hospital Medicine's (SHM's) Center for Quality Improvement embraces the opportunity to avail the voice of the frontline hospitalist, to focus on strategic performance and patient-centered quality improvement initiatives. Hospitalists are pivotal in operational, evidence-based and quality performance and SHM supports training, mentoring and growing the leaders of the highest quality care in the changing landscape in delivery of healthcare.”

Mangla Gulati, MD, CPPS, FACP, SFHM

Stay Current

Stay current on hospital medicine trends and optimize your practice with SHM's publications portfolio.

The *Journal of Hospital Medicine (JHM)* is the first and only peer-reviewed journal dedicated to hospital medicine, advancing excellence in the specialty through the dissemination of research, evidence-based clinical care and advocacy for safe, effective patient care.

journalofhospitalmedicine.com

The Hospitalist, SHM's monthly news magazine, covers current issues and trends, including evidence-based clinical reviews, ethical concerns, public policy profiles and interviews with experts in the field.

the-hospitalist.org

The Hospital Leader, SHM's official blog, provides timely news, information and commentary on the most compelling issues in the specialty, ranging from clinical updates and practice management to healthcare policy and ethics.

thehospitalleader.org

The *2018 State of Hospital Medicine Report* is an indispensable tool for hospital medicine program leaders and practicing hospital medicine professionals. The biennial *SoHM* Report offers current data on hospitalist compensation and production, as well as extensive coverage of practice demographics, staffing levels, turnover, growth, compensation models and financial support for solid, evidence-based management decisions.

SHM members can purchase the *2018 State of Hospital Medicine Report* at a discounted rate.

hospitalmedicine.org/sohm

Impact

SHM is advocating for you.

SHM works on behalf of hospitalists and patients nationwide to advance the practice of hospital medicine and improve the healthcare system.

Take action.

SHM hosts a Legislative Action Center where you can engage in policy issues impacting hospital medicine professionals.

SHM's Grassroots Network is mobilizing hospitalists across the nation to become the voice of hospital medicine in healthcare policy. Work alongside your colleagues to advocate for hospital medicine, hospitalists and patients.

hospitalmedicine.org/grassroots

“Getting to know other people from other groups and other practices and gaining knowledge from their experiences is so valuable.”

Mark Skiba, MD, PhD

Leadership Academy Attendee

Save the Date

March 5, 2020 is National Hospitalist Day.

SHM supports you year-round, but now there is a day especially for you.

National Hospitalist Day occurs the first Thursday in March. Don't miss the chance to celebrate the contributions of you and your colleagues and share your experiences in hospital medicine.

#HowWeHospitalist

hospitalmedicine.org/hospitalistday

“I think it's important for all of us to be a part of a movement that's larger than ourselves.”

Lee Hamilton, MD

“SHM provides the tools and resources you need to advance in your career. My membership has helped me accomplish a lot in my field. It has opened up several opportunities to succeed.”

Ilaria Gadalla, PA-C
